

LOOT IN NEWARK BURGLARY MAY REACH \$62,500

With the value of negotiables stolen in a safecracking at the Newark post office last week-end totaling nearly \$7,500, authorities express belief that losses would continue to mount from \$62,500 worth of money orders also stolen in the community's second major burglary in two months.

Pointing out the fact that the method of operation in the Newark burglary was similar to that used when an Alameda post office branch was looted a few weeks ago, Detective George Wisner of the Hayward sheriff's sub-station, said that several of the stolen Alameda money orders are showing up after having been forged and cashed.

625 MONEY ORDERS
This week he and Detective Floyd Heffron, also investigating the crime, dispatched an "all-points" list of numbers of the 625 missing blank money orders which are negotiable up to \$100 each.

The burglary was discovered at 8 a.m. Monday morning when Newark Lax, a rural mail carrier, opened the post office. Since the office was closed at 5 p.m. Saturday by Postmistress Julia Harris, no definite time could be established for the burglary.

The detectives said that a rear door of the building had been jammed open and a huge 1000 pound safe wheeled to rear quarters. The burglars also pried open a double rear door, leading authorities to believe that they planned to haul away the safe. However, because of its weight, they apparently abandoned the idea and then broke through a door, two walls and inner locks with hammers and chisels. All contents of the safe were removed, including postal papers, keys and a .45 government revolver.

LOCKS PRIED OPEN
Locks on other drawers were pried open but a check discovered that nothing besides the safe contents were missing.

Included in the loot in addition to the money orders were \$2,075 in Series "E" Government bonds; \$900 in stamps, \$3,767 in postal notes, \$690 in cash and 25 blank U. S. Treasury checks. Figuring the loss of the blank money orders at their maximum cashable value, the loot would total nearly \$70,000.

CENTERVILLE C.C. HEARS STANLEY

Supervisor Chester E. Stanley and L. R. Batman were guest speakers at last week's meeting of the Centerville Chamber of Commerce at the Justice Court on Thursday. Stanley explained the new county unified building code, now in effect, and Batman explained the new county zoning ordinance. Fred Rogers acted as presiding officer in the absence of President Loren Marriott.

Stanley told the Centerville business men he believed that Blacow Road and Washington Road might be widened by the county if permission of property owners could be obtained. Louis Cardoza will head a committee to get signatures of property owners concerned.

TWO HOUR FIRE AT STEEL MILL

A fire, which took two hours to extinguish, broke out last Friday night at the Pacific States Steel mill. It started from some oily metal shavings.

The Decoto fire department was called at seven o'clock and finally got the fire under control.

MASS HELD FOR REVEREND ROSE

A 7 a.m. requiem mass was held last Tuesday at the St. Joseph's Church in Mission San Jose for the Reverend Manuel Francis Rose, who passed away Sunday, October 13, at his home in Patterson, California. The Reverend Renault officiated at the service.

Reverend Rose formerly had served two years as assistant pastor at St. Joseph's, and at the time of his death was pastor of the Sacred Heart Church in Patterson.

Funeral services for the Reverend Father were held at St. Mary's Cathedral in San Francisco on Wednesday, October 16. Interment was at the Calvary Cemetery in San Jose.

HUSKIES VANQUISH SAN JOSE STATE IN LANDSLIDE WIN

By GORDON KIBBY

The Washington Huskies, after a bad defeat, came back to a great victory over the San Jose Tech Tigers last week. The Tigers weren't much opposition for the strong Huskies.

The first quarter started with the Huskies kicking off. The Tigers took the ball on their own 40, but the hard-charging Huskie line forced them to punt.

The Huskies took over on the Tech 45, and quickly with a series of running plays took the ball to the 15.

BERNARD SCORES
Then Bernard, outstanding player of the day, took the ball and on a fake reverse went around his left end for the score. The conversion attempt was blocked. Score at the end of the first quarter, 6-0.

In the second quarter the Huskies really got rolling. In the first few minutes Dave Priego took a reverse from Bernard and ran around his left end for the second tally of the game.

HUSKIES KICK OFF
The Huskies kicked off but were too tough for the Tigers, forcing them to kick again. Again the hard-charging and running Huskies started to march.

The Tiger line couldn't stop the offensive Huskie charge and again the local boys were in scoring position.

Then with the same play and the same man—Dave Priego—came the second score of the game. The half ended with the score: Huskies 19, San Jose Tech 0.

TAKE OFFENSIVE
In the third quarter, the Huskies took the offensive and never lost it. They again drove deep into Tech's territory. The fourth tally of the game came when a pass to Moser, right end, was completed for the score.

In the last quarter the Huskies drove, with little opposition, to the Tigers' 15 yard line, where Alden Chamness took the ball on a fake pass and ran for the fifth and final tally of the game.

Thus the game ended with the Huskies on the upper end of a 31-0 victory.

On the previous day the Washington puppies battled to a 12-12 tie with Lincoln "B" team.

Thir afternoon (Friday) both the "B" and Varsity will tangle with Mountain View. This promises to be a very good game, as Mountain View is one of the contenders for the league championship.

DRIVE-IN THEATER TO BE LOCATED IN THIS AREA

A \$100,000 drive-in theater will be constructed on property between Niles and Tennyson, according to an announcement this week by Silva Brothers, contractors, who have the contract for the job.

The Motor Theaters, Inc., an eastern firm, is building five such theaters on the Pacific Coast. The one to be built in this area is one of them, and will be the largest on the coast, having parking space for 1,000 cars.

Silva Brothers, who own and operate Elderberry Park in Niles, have already started the project, which should be completed by March 1. In addition to the theater, a drive-in restaurant and soda fountain will be run in conjunction.

HAYWARD GROUP FINDS DIFFICULTY WITH HOSPITAL

Little more than confusion resulted from a meeting Tuesday evening at Washington Union High School of a group of Hayward residents who met with representatives of a few township organizations in an effort to get township support of a rather vague project for establishing a "large hospital" near Hayward.

This was the second meeting held locally by the Hayward group. At a meeting last month they had suggested a "hospital association," which idea met with almost no acceptance. Tuesday evening they proposed no concrete plan, suggesting only that the southern end of Alameda county needs a "large hospital."

FAVOR TAX SUPPORT
After discussion had indicated that most opinion of those present was in favor of a tax-supported hospital, it was voted unanimously that those present favor amending of the state hospital district law so that rural Alameda County may vote for a hospital district.

This was exactly the same action taken by the Washington Township Planning Committee, and local doctors, three months ago. At that time Assemblyman Francis Dunn and State Senator Arthur Breed gave assurance that they would sponsor such an amendment in the next session of the state legislature.

LARGE VS. SMALL
If anything new came out of Tuesday evening's meeting it was simply the suggestion that perhaps it might be better to include all of Southern Alameda County in one large hospital district to construct and operate a "large hospital." Most of those present favored this idea.

However, those present, who have followed efforts over a period of months in Washington Township toward establishing a hospital district, did not accept this suggestion. Both Dr. E. C. Grau and Chairman L. R. Batman of the Washington Township Planning Committee explained that the primary need in the township is for a local hospital of approximately 30-bed size which could accommodate maternity patients and general medical and surgical cases.

CONFUSION IN HAYWARD
At present there are two divergent efforts in the Hayward area to secure a hospital. Another group, headed jointly by the Hayward Area Chamber of Commerce and the San Leandro Chamber of Commerce, is being incorporated with the end in view of establishing a hospital as a non-profit corporation somewhere between San Leandro and Hayward.

Among those present from the township at Tuesday's meeting were: Mrs. Laura Whipple, Mrs. W. H. Ford, Mrs. Edna Overacker, Dr. E. C. Grau, Mr. and Mrs. Frank Fields, Mr. and Mrs. Rose, Mrs. Gladys Williamson, Mrs. Larry Thatcher, and Mr. and Mrs. L. R. Batman.

NILES MAN MEETS FRIEND AFTER 27 YEARS APART

Twenty-seven years ago two buddies, Buck Private George Burr of Niles and First Lt. Wright L. Felt, sailed for France in Company B of the 23rd Engineers, U.S. Army. Between the private and the officer there grew a friendship that overlooked rank boundaries. Felt became an ideal of Burr's, one to be remembered through the years.

Only once was there any friction and that was because the officer carried a 1 1/2-pound pistol compared to the private's 60-pound pack for a 20-mile hike.

At the close of the war they were parted. Burr was wounded and left behind in a hospital while Felt sailed for home. Burr and Felt never expected to see each other again.

Last Sunday W. L. Felt, now a division engineer for the Federal Works Agency in San Francisco walked into the Kraftite Company of Niles where George Burr has been employed for the last 20 years.

"It was an awful surprise, it was really so good—we both recognized each other at the same time—he hadn't changed a bit, didn't look more than two years older," said things that grew up. We reminisced for half an hour and could have spent 24 hours at it."

Now they intend to keep track of each other and have arranged for a dinner with the former commanding officer of the company, Baker, a consulting engineer in San Francisco.

CENTERVILLE CAR DEALER TAKES CARE OF HALLOWE'EN

Centerville storekeepers will be saved the expense and worry and wear and tear on their property this Halloween—soaped windows will not be in evidence, as Joe Adams, Ford dealer in Centerville, is providing for a new means of celebration.

He is offering to the school children of the township six prizes for the best drawing on a Halloween subject. The three first prizes for both the grammar and high school are \$7.50 each. The second prize is \$5 and the third prize is \$2.50.

The drawings, to be made either by chalk or charcoal, are to be made on the windows of the Ford sales room and on heavy cardboard. They will be judged by Mrs. Alice Lambert, representing the grammar school, Mrs. Bryce Phillips, representing the high school, and a local artist.

The contest will begin at 8 p.m. on Thursday, October 31. All those who are interested in this drawing in any of the township schools, either grammar or high, should contact Floyd McCown on or before Monday, October 28, in order that all proper arrangements may be made and their names properly enrolled in the contest.

CATHOLIC WOMEN'S GUILD HOLDS MEETING

The regular monthly meeting of the Catholic Women's Guild of Niles was held last night (Thursday), with Mrs. J. A. Silva presiding. Reports of delegates to the Alameda County Council meeting in Oakland and also the National Council meeting held October 12 in Burlingame, were given.

NEW COUNTY BUILDING CODE NOW IN EFFECT

Supervisor Chester E. Stanley announces that the new "County of Alameda Building Code" went into effect last Saturday.

The Code, which was recently adopted by the Board of Supervisors, is the Uniform Building Code, 1946 Edition, adopted by the Pacific Coast Building Officials' Conference, and is in effect in most of the cities of this area. Some modifications to the Uniform Code have been made by the Supervisors to make it more applicable to rural areas.

Under provisions of the code, permits will be necessary for all building construction except for minor buildings on primarily agricultural property. Alterations, repairs and additions will require work is less than \$50, no fee is required.

Where the estimated cost of the work. For work from \$50 to \$100 a fee of \$1 will be required and varying amounts are provided for larger construction. For a home costing \$7,000, the permit fee will be \$16.

The Alameda County Civil Service Commission is holding examinations on November 2, 1946, for Chief Building Official and deputies. It is contemplated that the main office of this department will be set up in this area, with probably a part-time branch office at Livermore or Pleasanton. Until these offices are established and equipped, temporary offices will be in the Court House at 1225 Fallon street in Oakland.

DATES SET FOR LOCAL TAXPAYING

While November 1 is the opening day for the collection of taxes at the Court House office of the County Tax Collector, special advance days have been set by Tax Collector Edwin Reese Jr., to accommodate taxpayers located in communities distant from Oakland. Bills will be distributed and payments received at Centerville on Wednesday, October 30, at the Bank of America, between the hours of 9 a.m. and 3 p.m.

Taxpayers who already have filed a written request to have their names placed on the taxpayer's permanent mailing list will have their bills delivered to them before the above date. Such requests may still be filed and, when accompanied by a property description, will be acted upon, Meese states. Those who do not apply for their bills on the above special date, or do not avail themselves of the mailing service, must apply in person at the tax collector's office in Oakland on or after November 1 to obtain their bills. The first installment becomes delinquent December 5.

JOSEPHS VACATION AT BIG BASIN

Postmaster and Mrs. M. C. Joseph of Irvington have just returned from a two weeks' vacation at Big Basin near Santa Cruz.

Township Meet Forms 'Chest'

A Community Chest for Washington Township was formed Wednesday evening when 26 representatives of various township organizations met at the Justice Court in Centerville. The new organization will carry on the activities which were supported during the war years by the War Chest.

The meeting had been called by Mrs. Matilda Enos, Miss Carmelita Berge and Judge Allen G. Norris, who had polled 80 township organizations by mail, asking for opinion on the advisability of setting up a

THREE BEARS KILLED BY NILES WOMAN

Once upon a time there were three bears—a mama bear and her two little cubs. Then Mrs. Helen Carey of Niles went out hunting. And now there are no bears—at least not in the region of Black Fox Mountain near Mt. Shasta.

That, in brief, is the story of three little cinnamon bears who were tracked for three days through a foot and a half of snow by the intrepid Niles huntress, and her only companion, her little dog, Rusty.

This was no novel adventure for Mrs. Carey. Last year she brought back one bear, and the year before that two, and the year before that—well now, she is a skilled bear huntress.

This last trip was, perhaps, the most adventurous and dangerous of any of them. After she shot and wounded the mother bear, the animal sprang towards her, but Rusty, ever ready to protect his mistress, interfered, and was badly bitten by the bear. Mrs. Carey herself received severe scratches from the infuriated animal, and was indeed fortunate to come out of the fray with only minor injuries.

Mrs. Carey, the mother of a grown son, claims that bear-hunting is her favorite sport. But without her dog, Rusty, she is quite sure she would never have been able to track the bears.

The little woman with the indomitable hunting spirit will spend the remainder of the week preparing the bear meat and the bear skins.

NAVY SON LEAVES FOR HONOLULU

Howard W. Conley, son of Mrs. Margaret Conley, recently left for Honolulu as an aviation radio man first class in the Navy. He had formerly been stationed at Moffett Field. Another son, Clyde E. Conley, has been discharged after serving as an aviation ordinance man first class in the Navy for the past six years. He and his wife and baby are living at Camp Parks while Conley is working at the steel mill.

NEED FOR MORE GRAY LADIES FROM TOWNSHIP

In a recent appeal to officials of Washington Township Red Cross, General Francis W. Rollins, manager of the Veterans' Administration Hospital at Livermore, asked for volunteers to serve as Red Cross Gray Ladies in the hospital. John R. Sutton, chairman of the Red Cross, in response to General Rollin, this week issued the request for women between the ages of 30 and 55 to volunteer for this work. In further stating the qualifications for those who are interested, Sutton added that volunteers must be in good health and have time to give to the work.

The final step before actually working as Red Cross Gray Ladies is an indoctrination course given by the hospital.

Arrangements for interviews may be made by calling Mrs. C. B. Crane of Niles, telephone 3113, or addressing a letter to her at Box 154.

General Rollins stressed the need of the Gray Ladies, who would be members of the Hospital and Recreation Corps of Red Cross, to continue their war-time service, and pointed out that the veterans still in the hospital require this lift to their morale, and the means of letting them know that they are not forgotten by the outside world.

Sutton urged all women who could possibly do so to answer the appeal.

township Community Chest and inviting representatives to Wednesday's meeting.

Fifteen organizations had approved the formation of a Community Chest. Others had expressed interest but reserved opinion until further information was available.

Serving as chairman of Wednesday's meeting was Edward E. Enos, who called upon Judge Allen G. Norris to explain the purposes of establishing a Community Chest.

Judge Norris stated that primary advantage of a Community Chest is to consolidate money-raising efforts for such purposes as U.S.O., Scouting, Salvation Army and similar agencies into one drive. Out of the funds thus raised, apportionment of money is then made according to budget to various agencies. The township Community Chest, he explained, would have no connection with the Oakland Community Chest.

On a motion put by Warren Gravestock, representing the Niles Rotary Club, and seconded by both Walter Connolly of the Irvington Improvement Club and E. Dixon Bristow of the local post of the American Legion, the group voted to establish a Washington Township Community Chest. The motion carried unanimously.

Officers elected are: chairman, Edward E. Enos; secretary, Carmelita Berge; treasurer, Carl Christensen.

Two committees were appointed by Chairman Enos: a committee to incorporate the Community Chest, composed of Judge Norris, A. J. Petsche and Mrs. J. V. Gould; and a committee to nominate a board of directors, composed of Arthur Belshaw, R. A. Griffin, E. Dixon Bristow, P. J. Faletti and Richard Jolly. A meeting of the new Community Chest officers and committee-men, together with representatives of township organizations interested, will be held November 6 at 8 p.m. at the Justice Court in Centerville. Solicitation for the Community Chest was set to begin November 18.

IRVINGTON SCHOOL PLANS NEW BUILDINGS

A new cafeteria, a kindergarten, indoor and outdoor classrooms are becoming actual plans for the Irvington grammar school—to be realized in the future depending upon the yeses and noes of the War Assets Administration and the Civilian Production Administration, who control building materials even for schools.

According to Principal Gus Robertson, the school has been needing room for some time, as the average daily attendance for the past five years has been on the increase at the rate of about 20 or 30 each year, bringing the present enrollment to 269.

The new plans will provide for supplementary buildings rather than a complete new school—and are all of the most modern type.

Mrs. John R. Kettman entertained recently at a surprise bridal shower given for Miss Norma Jean Santos in honor of her marriage to Johnny Freitas on Sunday, October 20, at the St Edward's Church in Newark.

Favors, made up of wedding bells tied with silver ribbon were presented to each guest. Games were played and refreshments served.

Those who were guests at Mrs. Kettman's home were: Miss Esther Jergen of Decoto, Miss Nelda Hammond of Irvington, Miss Thelma Biale of Niles, Gerry Fernandez and June Daniels of Centerville, Mrs. Evelyn Brigannis of Mt. View, Mrs. Bel Dutra of San Jose, Leona May, Mrs. George May, Mrs. Pat Phillips, Miss Shyrle Costa, Bubbles Miller, Mrs. James Miller, Miss Beatrice Silva, Margie Santos, Thelma Santos, Miss Joseph Santos, Mrs. Ed Kettman Sr., Mrs. Kay Kettman, Mrs. C. McNieve, Eleanor Freitas and Mrs. John Freitas, all of Newark.

Miss Santos received many lovely gifts.

Mrs. Ralph Bangle of Thornton avenue will travel by bus to San Andreas for a week's visit with her husband.

Pvt Manuel Lewis made an unexpected visit to his home on Sunday. He is connected with the Combat Engineer Battalion and traveled by jeep from Fort Lewis, Washington to Monterey. He will soon leave for Oceanside on maneuvers.

Newark Lax, rural mail carrier for Newark post office, was given a surprise birthday party on Wednesday, October 16. A beautiful cake was presented to him. Among those present were his co-workers from the Newark post office.

Speaking of the Post Office Department, Joseph L. Martin, mail carrier for the department, has returned to his work after a two weeks' vacation which was spent deer hunting in Colville. During his absence, J. D. Silva carried the mail.

The Herb Lacey of 649½ Mulberry street are the proud parents of a bouncing baby boy named David Evan. The little stranger arrived at the Alameda Hospital on October 11, and tipped the scales at 7 pounds and 6 ounces. Mommy is doing fine and even Daddy managed to keep his two feet on the ground. Mrs. Lacey was formerly employed at the James Graham Manufacturing Co. as a secretary in the personnel department.

A daughter was born to Mr. and Mrs. William Ledford on October 13. Mrs. Ledford is the former Adele Alvarez.

Mr. and Mrs. Frank Phippen are receiving congratulations from their friends on the new member of the family. Their son made his appearance at the San Jose Hospital, Sunday, October 13. The Phippens have two other children.

Back to work at the James Graham Manufacturing Company after his recent illness is Oscar Niemeth. He spent several weeks with his daughter, Mrs. Al Palmer, while recovering.

The stork hovered over the San Jose Hospital on October 8, making Mr. and Mrs. Hayden Freitas two happy parents. The new little bundle of joy weighs 8 pounds and 3½ ounces and was named Susan Carol.

Mr. and Mrs. George Peat, formerly of Newark, and now living

in Hayward, are busy getting acquainted with a little lady, born October 10, at the Hayward Hospital. Weight reads—6 pounds and 15 ounces. Name given—Cynthia. Mrs. Peat will spend a week at the home of her mother, Mrs. Bertha Laudenslager, before taking Cynthia to her new home and starting her duties as a mother.

A day of bass fishing was enjoyed by George Marshall and David Rice Sunday at Big Brakes, California. George recently spent a week up north deer hunting with his brother, Bud Marshall of Niles, and Grover Taylor. Earlier in the season he shot a three-pointer.

On Sunday, October 15, the annual Ladies' Night dinner was given by the Newark Chamber of Commerce. The dinner, originally planned to be held at the M. & M. Club at Newark, was given at the International Kitchen in Niles. A delicious dinner was served starting at 7 p.m.

Entertainment for the guests consisted of two songs sung by a young lad from Russell City. He was unaccompanied and his singing was enjoyed by everyone.

A quartette made up of Newark lassies, Margie Cotton, Bobby Cotton, Nonie Buck and Charlotte Seaward, was also enjoyed. They were accompanied at the piano by Ruth Cotton.

John Pigeon, a former Newark boy, now living in Oakland, did an excellent job of performing magic tricks. He took it up as a hobby while in high school and has formed his own club in Oakland.

A trumpet solo was also given. Art Cotton pinch-hitted for Sam Scott as master of ceremonies for the evening until Mr. Scott arrived at the dinner.

Mr. Jolly, president of the organization, stressed the point that the main aim of the Newark Chamber of Commerce is to establish a new school in Newark.

One of the guests present who enjoyed the evening was Bill Rauch of the Newark post office.

The William Rabers of Dairy avenue were paid a surprise visit over Saturday and Sunday of last week by Sgt. and Mrs. James Wagoner and their three-year-old daughter, India Marsetta. Mrs. Wagoner is the niece of Mrs. Raber, whom she had never met before. The young couple hail from Virginia but are now living in Mill Valley where Sgt. Wagoner is stationed.

Mr. and Mrs. Joe Freitas motored up from Santa Maria to spend a week with Mr. and Mrs. John Freitas and also to attend the wedding of their son. The "Four Freitas" spent Friday in San Francisco

RED CROSS GIVES AID TO 44 CASES IN TOWNSHIP

During September, the Home Service department of Oakland Red Cross had 44 cases here, the Washington Township branch announced this week. Aided were veterans, servicemen and their dependents, with everything from confirming requests on emergency furloughs to help with family problems.

In the entire area served by the Oakland Red Cross, 2,436 families received Home Service attention during September.

CENTERVILLE SCHOOL

Mrs. Emeline Lambert of Centerville put an arrangement of story book dolls in the show case of the school. She made the dolls herself and has many different kinds. The dolls are made to represent different countries and some are dressed in colonial costumes.

There will be a tag football tournament sponsored by the Hayward Recreational Department and Alameda county schools. Most of the schools will participate in this tournament. The Centerville Elementary school will play on Saturday, October 26, at the Hayward Union High School. The teams will be composed of six men each.

Mr. F. Stephens, photographer of Campbell, Calif., will come to the school and take pictures of the students and their teachers on Monday, October 28. Mr. Stephens has been coming every year for many years to take pictures of the students.

On Monday, October 21, there was a physical education meeting of all the teachers in the upper grades of Washington Township. The meeting was held in the auditorium of the Centerville Elementary school.

and enjoyed a delicious dinner at Fisherman's Wharf.

Many parents of Newark are taking advantage of the convenience of attending the new drive-in theater located just outside San Jose, with their children.

"I Hear Tell" that if you leave "Our Town" by 5:30 p.m. on weekends, you have your choice of a suitable parking place.

Earl Wilburn and friends spent the week-end deer hunting at Pinecrest. Result—two deer—but Earl wasn't one of the lucky fellows.

Halloween

Strange things are going to happen on the evening of October 31, for on that night the goblins and witches will come out of their hiding places and enjoy their brief annual fling—much to the delight of youngsters and probably to the distress of their parents and neighbors.

Of course the youngsters can't be blamed. It's the witches and goblins that play all the pranks. The kids just happen along, by mere coincidence, when the front gate comes off the hinges and winds up on the roof of the garage, or when the windows of automobiles and stores suddenly blossom forth with profuse hieroglyphics.

Well, maybe this year the younger genera-

tion will keep the visiting w's and g's from getting too boisterous. A lot of good fun can be had without damaging anybody's property or creating a nuisance.

Let's hope that a good time will be had by all—including parents and neighbors.

Political "Steaks"

President Truman's action last week in removing price ceilings and other controls on meat had two obvious aims: more meat for the consumer and more votes for his party—and the latter aim was by no means the less important of the two.

But it remains to be seen how successful this maneuver will prove politically. The general opinion seems to be that it has come too late to save many of the Democratic candidates whose chances of re-election hang in the balance. The President, in fact, may have done them more harm than good by trying to pass the buck for the whole mess onto the "reckless group of selfish men" in Congress—members of the opposition party, of course.

Mr. Truman would have gained a great deal more politically—or at least, he would have lost less ground—if he had simply removed price controls on meat and had said nothing, or if he had been frank enough to admit that the Administration's efforts to keep the nation's economy in a straight jacket was a big mistake.

OVER A HUNDRED ARE PRESENT AT Y. L. I. CEREMONY

Over a hundred members and guests attended the official visit of Grand President Lorraine Jones of San Francisco to De Guadalupe Institute of Niles on Friday evening, October 18, at I.O.O.F. Hall, Niles. Formal initiatory ceremonies were conducted with Mrs. Fred Dias presiding and five new candidates initiated. Decorations were carried out in an orange and brown motif under the chairmanship of Mrs. Jesse Perry of Decoto. Mrs. Edward Mara of Niles was in charge of refreshments. Mrs. Shirley Garnett had charge of place cards and invitations and Mrs. Lida Francis of Newark acted as chairman of the evening.

Before the meeting a musical program, planned by Mrs. Mamie Roderick of Alvarado, was presented as follows: Waltz of the Flowers and The Dance of the Sugar Plum Fairies from the Nutcracker Suite of Tchaikowsky, piano duets played by Mrs. Bernard Brownstein and Mrs. Clarence Crane; tap dances, Geraldine Gonzales and Dannie Perry, pupils of Valdez and Peggy; Victor Herbert selections by Mrs. Brownstein and Mrs. Crane.

Among the honored guests were Rev. T. Hennessy, chaplain; Past Grand President Mary C. O'Brien of San Francisco, Grand Vice-President Valda Britschgi of San Mateo, Grand Directors Mary Foss and Marcella Calmes, and District Deputy Laura G. Mayer. Visitors were present from San Francisco, Oakland, Hayward, Livermore, Redwood City, San Mateo, Healdsburg, and San Leandro.

The members plan to hold a benefit whist in November and a meeting is being held this week by the committee headed by Mrs. James Nunes to complete arrangements.

On Saturday, October 26, a dancing party is being held at the PG&E club house. Mrs. Frank Souza of Centerville is chairman of arrangements. There will be dancing, games, and refreshments, and a large crowd is expected to attend.

DAVE WINS OUT IN DOG BATTLE

Dave Rosekrans of Dave's Joynt tells us his dog story of the week—Dave and beer vs. a doberman pincer and a spitz.

Dave can usually take care of himself, but not when a doberman pincer tangles up with a spitz outside his door, attracting a ringside crowd. Dave couldn't stand it, and decided the best way to fight dogs, especially like these, is with beer.

Dave rushed out shaking a newly uncapped bottle of beer and let fly into the general melee—well, the dogs vanished and Dave and the beer won.

EIGHTH GRADERS MAKE PLANS FOR HALLOWEEN

A Halloween party, which will include spooks, black cats and witches, is being planned by the eighth grade class of the Irvington grammar school. The party has been set for the afternoon of Thursday, October 31.

Halloween spooks are not usually called upon to appear in broad daylight but the eighth graders promise that there will be many on hand to furnish thrills and chills.

On the refreshment committee for the party are: Ray Abacherli, Gerald Furtado, J. C. Gregory, Charles Wood, Herbert Wood, Martha Betschart, Eleanor Coronado and Anita Delgado. Entertainment for the party will be handled by Ronald Botelho, Andrew Costa, Alvin Gomes, Bernardine Leal, Ronnie Rogers, Junior Seno and Bill Salvador. The decoration committee consists of Vernon DeValle, Albert Fries, Kenneth Kraft, Beatrice Albert, Edna May, Joan Pearson, Dina Sodini and Agnes Tacang. The balance of the class was assigned to the clean-up committee.

OUR READERS WRITE . . .

The Editor, Sir:

You will have noted that the Veterans of Foreign Wars have allowed themselves to appear as sponsors for Proposition No. 2. The American Legion is just as strongly opposed to Proposition No. 2 now as they were in the beginning. This opposition has been strengthened by the recent statement of Governor Warren very strongly opposing Proposition No. 2.

The American Legion also opposes Proposition No. 4, which covers business loans for veterans, in that such loans would be highly speculative and might, at some fu-

ture time, seriously jeopardize the Home and Farm Loan program which has been outstandingly successful in California ever since the first World War.

You will recall that the Home and Farm Loan program of the State of California has been a profitable undertaking on the part of the state. The bonds they float have always been much sought after by investors and all the good work accomplished has been without cost to the taxpayers.

to be doomed to die before the next Hallowe'en.

In Wales the people who made the bonfire would wait until every spark was out and then suddenly run home, shouting: "The cropped black sow seize the hindmost."

Many of the ceremonies in the old days were designed to prevent the evil influence of witches and ghosts although in some places it was thought that the souls of the departed revisited their old homes on this night and were warmed and comforted by the good cheer provided by their affectionate kinfolk.

In our time we make use of many of the games peculiar to the day. Centerville library has several books that will be of interest:

"Complete Book of Parties" by M. L. Andrews. Hallowe'en party, games, fortunes, witches' cauldron, etc.

"Good Times for All Times" by N. B. Lambkin. Many pages on Hallowe'en activities—decorations, plays, poems, stunts, contests, dances, suggested programs, refreshments and bibliography.

"Big Fun Book," edited by J. S. Meyer. 800-page encyclopedia of home entertainment. Games for all ages, treasure hunts, quizzes, tricks, plays, handwriting, puzzles, tongue-twisters, riddles.

FRIDAY REVIEW OF LITERATURE

CENTERVILLE LIBRARY

ALL HALLOWEEN EVEN (Hallowe'en) is the eve preceding All-hallow's Day (All Saints' Day) which began the ancient Celtic Feast of All Souls. It is thought that this festival was originated when the Celts were mainly a pastoral people, dependent on their herds and that the two great celebrations—May Day and its Eve (Walpurgis Night) and this one were the days on which the cattle went out from the homestead in spring and returned in early winter.

There were many things in common between the two festivals although Hallowe'en seems to have been the more important, as the beginning of the Celtic Year. At this time the Sacred Fire was kindled from which all the home fires in Ireland were rekindled.

In Scotland the children gathered ferns, tar-barrels and everything suitable for a bonfire, and each family strove to have the largest. After the fires died down each person put a marked stone into the ashes and prayers were said. In the morning the stones were examined and if any were missing that person was thought

LAST WEEK I woke up to the fact that I was carrying only about 40 per cent enough insurance on my house.

If your house burned tonight, would you want enough insurance money to rebuild only about two-fifths of it?

Don't kid yourself about this discrepancy. Ask a contractor to give you a rough idea as to what he'd charge you to rebuild.

You'll get an answer which will probably shock you into upping your insurance.

It is utterly ridiculous to carry too little insurance, because, in my opinion, fire insurance is one thing in this country that is dirt cheap today. (The average cost has gone down 40 per cent in 30 years.)

What I say about home insurance applies to furnishings, too.

Also to business property. Replacement values here, too, have skyrocketed in recent years but many owners are fast asleep with their same old pre-war insurance coverage.

Ask us TODAY to help you determine your real insurance needs—it's a technical problem which calls for expert help.

NEW SCOUT TROOP TO BE INVESTED NEXT WEDNESDAY

All Washington Area Troops will assemble Wednesday evening, October 30, at the Niles Grammar school for their first fall Court of Honor. The Court will feature a ceremony in which the new Niles Troop 1 will be officially invested and welcomed into the area Scout family. Neighborhood Commissioner John Cattaneo of Niles announced that the new troop was organized to serve the many additional boys of Mexican parents desiring to become Scouts. Rafael Andrade is the Scoutmaster of the new troop.

The Court will be held in the Niles Grammar school auditorium and E. D. Bristow, principal, will welcome the Scouts, Scouters and parents from Decoto, Niles, Centerville, Irvington and Newark.

Tom Maloney, district chairman for advancement, Ray Benbow and George Coit will comprise the court, and Assistant District Commissioner Phil Sousa will represent the district board in authorizing the Conveying of the Court. Scoutmasters Pat Luna, Kenneth C. Van Valer, Rafael Andrade, Walter Teixeira, William H. Dobyns and Richard Teixeira will present their respective troops.

Scoutmaster Kenneth C. Van Valer, assisted by Commissioners John Cattaneo and Fred Duffie, will present an investiture ceremony of new scouts.

A MESSAGE OF INTEREST to all who await deliveries of new Chevrolets

We want you to know that everything possible is being done to speed deliveries to you; but production still lags far behind schedule—even though Chevrolet has built more cars and trucks than any other manufacturer from January through September 1946

WE REALIZE how eagerly you are awaiting delivery of the new Chevrolet you have ordered from us, and we want to pass on to you the latest information received from the Chevrolet Motor Division, even though that information isn't too encouraging at this time.

It is true that Chevrolet leads all other manufacturers in total production of passenger cars and trucks from January through September 1946, despite the fact that Chevrolet was out of production entirely during the first three months of this year. It is also true that Chevrolet has continued to maintain its lead in total production during the third quarter of 1946. And yet production is still running far below desired levels, with the result that Chevrolet's output of cars and trucks through September 1946 was only 38.7% of the number produced during the corresponding period of 1941.

This means it may take many months for the Chevrolet Motor Division to reach peak

production of new Chevrolets—even longer to fill the unprecedented demand for this product of BIG-CAR QUALITY AT LOWEST COST—and, for the present at least, "there just aren't enough Chevrolets to go around," much as we wish there were.

However, we want you to know that new Chevrolets are leaving the plants in the largest numbers possible today. The Chevrolet Motor Division tells us it is doing everything it can, in the face of continued suppliers' strikes, material shortages and manpower problems, to step up shipments to us and to all dealers, in accordance with a predetermined distribution plan assuring each dealer of his fair allotment, based on 1941 passenger car sales. And we, in turn, are doing our best to deliver new Chevrolets to our customers as rapidly as they are received and in the fairest possible way. We are too appreciative of your loyalty and goodwill—too grateful for your patience and understanding—to do anything less than continue to serve you to the very best of our ability.

KEEP YOUR PRESENT CAR RUNNING

Meanwhile, the most important car of all to you is the car you are driving now. May we suggest that you keep it in top running condition until you secure delivery of your new Chevrolet, by bringing it to us for skilled service now and at regular intervals. Remember—cold weather is hardest on old cars. Please see us for a complete check-up today. . . . And, again, thank you!

Newcomers to Irvington Like Climate, Scenery

"We think this is an ideal residential community, if ONLY those who are living here now make a concerted effort to prevent the marring of the beautiful scenery by allowing shacks to be built."

This was the opinion expressed by Mrs. Richard Fleming who, with her husband and four-year-old child, has just moved to Irvington where they have purchased the old Peters-Robertson place.

"We love it here," continued the civic-minded Mrs. Fleming. "The climate is ideal. We can hardly wait to begin remodeling and repairing our old place so that it will be an asset to the community."

The Flemings moved here from Oakland. Mr. Fleming, a son of the Rev. Isaac Fleming of Berkeley was, when he attended U.C.L.A., the Pacific Coast heavyweight boxing champion. At present an employee of the U. S. Government, he was at one time a journalist.

Newark Pair United In Sunday Ceremony

By THELMA MCNIEVE

The wedding of Miss Irene Jean Santos to Mr. John Freitas took place at 2 o'clock the afternoon of October 20 in St. Edward's Church in the presence of the young couple's many friends and relatives.

The double ring ceremony was performed by Father James McLaughlin, and the altars were beautifully decorated with white chrysanthemums.

Mr. Joseph Santos escorted his daughter to the altar. Her bridal gown was made of a white satin bodice and full skirt of marquisette with satin rosettes on the train. Her finger-tip veil of tulle was held in place by a coronet of pearls. The bride carried a prayer book and marker of white orchids and bouvardia.

Thelma Santos, sister of the bride, served as maid-of-honor. Also in the bridal party were Marjorie Santos, and Eleanor Freitas, who has recently resumed her studies at San Jose State College.

Their dresses were of nylon taffeta with a tight bodice and bouffant skirt. The maid-of-honor wore pale blue and the bridesmaids pink, with picture hats to match their gowns and carried colonial bouquets of pink carnations and lavender sweet peas.

Miss Jill Kettman, niece of the bride, looked very sweet as flower girl. Her gown was of pink marquisette. She wore a matching picture hat and carried a miniature colonial bouquet of white chrysanthemums and sweet peas.

Mr. Davis Freitas, who recently became engaged to Esther Jerge of Decoto, stood with his brother as best man. Ushers were Walter Santos and Frank Silva.

The bride's mother, Mrs. Joseph Santos, wore a blue gown with black accessories and a corsage of white gardenias.

Mrs. John Freitas, mother of the groom, wore a grey suit and matching hat; black accessories, and corsage of white gardenias.

The reception was held immediately after the wedding at the Newark Pavillion.

The new Mrs. Freitas was charming in her going-away suit of peacock blue. She wore grey accessories and a white orchid corsage. Honeymoon plans were not revealed by the newlyweds who will return to Newark in two weeks.

Visitors Here From Byron

Visitors at the home of Mrs. Anna Bradford last week-end were Mr. and Mrs. Ed Krumland of Byron and their daughter, Mrs. L. Cowan, and son, Kenneth. The Krumland's son, Roy, is living with his aunt, Mrs. Bradford, while he is attending college at San Jose State.

Mrs. Allen Shinn Off to Massachusetts

Mrs. Allen Shinn and her three children will leave Saturday (tomorrow) for the east coast where they will meet Commander Shinn, who is at Norfolk, Va.

Mrs. Shinn and the children will make their home in Edgartown, Martha's Vineyard, in Massachusetts. They have taken over an old house to remodel. This house was built in 1781 and has been occupied by the Mayhew family for several generations. Commander Shinn's duty will be divided between Norfolk and Quonset, R. I. The latter is not far from plane from Edgartown, so he will be able to come home frequently to visit his family.

Newark Girl Engaged To Indiana Man

Mr. and Mrs. H. J. Bolyard of Newark are announcing the engagement of their daughter, Darlene, to Robert Wood Peters of Zionville, Indiana.

The newly-engaged girl is a graduate of Washington Union High School and also attended San Jose State and graduated from Heald's Business College in San Jose. Presently she is employed at the San Jose Abstract and Title Insurance Company in San Jose.

Mr. Peters, the son of Mr. and Mrs. James Peters of Zionville, attended Purdue University prior to enlistment in the Medical Corps, in which he served overseas for 21 months and received several medals.

No date has been set for the wedding, although it will be soon. The couple plan to make their home in California.

'Butch' Green Home From Hospital

Encased in a cast from his neck to his toes, young Everett "Butch" Green, son of Morrison Green of Niles and grandson of Mrs. Fern Mitte, finally arrived home last week, after having been in the hospital for eight weeks as the result of injuries suffered when he was struck by a car when riding his bicycle.

It will be several weeks yet before Butch is out of his cast. In the meantime he keeps himself amused by reading all of the many cards he has received and by opening the gifts which still keep pouring in from his many friends. Butch will celebrate his tenth birthday in December.

Visitor from Chicago

A twin brother, whom she hadn't seen for eight years, was an unexpected visitor at the home of Mrs. Tom Robbins this week. Flying out from his home in Chicago, the young man was enthusiastic about California. This is his first trip here.

Bridge Party

Mrs. Anna Bradford of Niles was hostess at a bridge party held at her home last Tuesday. Those attending included Mmes. Marguerite Cadero, Irene Kibby, Walter Robie, Sadie Hodges, Bertha Richmond, Evangeline Mueller and Fern Mitte.

Marries Navy Man

Lois Justus Bottenberg, Mission San Jose postmaster and correspondent for this paper, was married a week ago Wednesday to Glenn Bottenberg at the San Leandro Presbyterian Church, and is now back at her job.

The wedding, to have been at a later date, took place at this time because of Navy duties calling the groom to Corpus Christi, Texas. Former wedding plans included a ceremony at the home of the bride's daughter, Mrs. Norman J. Kamp of Placerville.

Mrs. Bottenberg has been postmaster in Mission San Jose since 1938 and was an active war-time member of the Red Cross, war bond drives, the war chest, and civilian defense activities. Recently she has been engaged with plans for next June. Chairman of this plan, the sesquicentennial celebration for she resigned from the position before her marriage.

Mrs. Bottenberg is the daughter of Mrs. Elsie Wilcox of Mission San Jose and has two other children, Mrs. Tom Santos of Burlingame and Sgt. Harley B. Justus who was discharged from Camp Beale last week after service in Japan.

The groom is the son of Mrs. Gertrude Bottenberg of McMinnville, Oregon. Mrs. Bottenberg plans to remain at the post office until her husband's discharge, expected in 1948.

Motorists Return From Northern Trip

Returned from a three weeks' vacation in the northwest are Mr. and Mrs. Leon Solon and Mr. and Mrs. Jack Geib. While in the north the two couples visited the Geibs' son and daughter-in-law, Mr. and Mrs. James Geib, and two little sons, at Port Angelus.

On the return trip on the Redwood Highway, the travelers were joined by Mr. and Mrs. E. E. Dias at Redwood Terrace. Dr. and Mrs. Tom Wilson were also staying there.

Returns from Texas

Mrs. Margaret Bunting of Mission San Jose has returned from a plane trip to Dallas, Texas, where she spent two weeks visiting her daughter, Mrs. Betty Mulcahy. Postmaster, Reporter

Griffith and Silva To Wed in November

A pre-nuptial miscellaneous shower will be given next week for Miss Vivian Griffith of Hayward, formerly of Niles, who will be married to George Silva of Oakland on November 17.

The shower is to be held at the I.O.O.F. Hall, Niles, and will be given by Mrs. Donald Lemos.

Reverend Norberg will unite the couple at the formal candle light ceremony in the Eden Congregational Church in Hayward, to be held at 2 p.m. Mrs. Donald Lemos is to be the matron of honor and Cecil Griffith, the bride-elect's brother, will be the best man.

Nine-year-old Gloria Silva, sister of the groom, is to be the flower girl.

Silva, now employed by the Haas Cabinet Shop in Oakland, was recently discharged after serving as a Signalman in the Navy for the past four years. Son of Mr. and Mrs. Frank Silva of San Jose, he was graduated from the Technical High School there. Miss Griffith is the daughter of Mr. and Mrs. Al Corey, and attended the Washington Union High School.

Former Niles Girl Becomes Mother

Mr. and Mrs. Eugene McCassey of Hayward are announcing the birth of their first child, a boy, born on October 20 at the Alameda Hospital. The baby, weighing eight pounds and six ounces at birth, has been named John Morris. His mother is the former Katherine Sullivan of Niles.

John E. Kimber Jr. Weds in Massachusetts

A marriage performed in Holyoke, Mass., is of special interest to the township. It is that of John E. Kimber Jr., son of Mr. and Mrs. John E. Kimber of Niles, and Miss Marion E. Burnham, who is the only daughter of Mrs. Marion P. Burnham of Ballouville, Conn.

The couple was married Saturday, October 12.

The benedict, well known in this community, recently received his discharge from the Navy after serving four years as radioman, and plans to continue his education.

The bride is a senior at Tufts College in Boston.

The newlyweds are living in Medford, Mass.

Honeymooners Visit Parents of Bride

Newlyweds Mr. and Mrs. Calvin Burnham (Josephine Maggiora) were one-day visitors in Niles this week, stopping off from their honeymoon in Santa Barbara to say hello to Mrs. Burnham's parents.

The couple was married recently at Corpus Christi Church in Niles, following which a large reception was held at the Country Club house in Centerville.

For her wedding attire the bride chose a gray wool suit with accessories also in gray; she carried an old-fashioned bouquet. Her attendant, Miss Mae Andre of San Francisco, wore a powder-blue suit and also carried an old-fashioned bouquet. Elmer Notke of San Francisco was the best man.

ANNUAL DISTRICT BOY SCOUT MEET

The executive committee of the Southern District Boy Scouts meeting in Niles last Thursday night completed plans to hold the annual meeting of the Southern District Boy Scout Committee Sunday afternoon, Nov. 10, at the Bret Harte school in Hayward. This annual meeting will include the representatives of all organizations sponsoring Scout or Cub units in the Southern District of the Oakland Area Council and will develop recommendations for next year's program and objectives. The appointment of representatives to this committee is now in process and the appointments already made were reviewed and accepted by the executive committee at their meeting.

This will be the first such planning meeting ever held in Southern Alameda county and is expected to lead to an enlarged Scouting program in the area.

A nominating committee was appointed to report at the annual meeting for the nomination of a southern district chairman, vice-chairman and representative-at-large to the executive committee.

The committee consists of Tom Maloney and Phillip Sousa of the Washington area, Marlin Haley and Fred Dyche of Eden area, and Rev. William Clawson of Los Positas area.

REGISTER COVERS NEWS FOR S. F. EXAMINER

At the request of editors of the San Francisco Examiner, the Township Register is now the headquarters for Examiner news in this area.

If you, our readers, hear of any spot news—auto wrecks, thefts, accidents, or any other odd or unusual bits of information—please phone The Register office immediately so the news can be relayed to the Examiner. The phone number is Niles 4414.

NEWARK SCHOOL NEWS

By Carmelia Pierce

The eighth grade had a Funny Book Sale on October 17 and 18. They made \$8.77. They are saving this money for their Sneak Day trip.

Mrs. Cowan of the Alameda office presented a most interesting discussion of methods of correcting poor reading habits. The teachers enjoyed it very much.

Following are the Newark school orchestra members and what they play:

POLITE THIEF RETURNS MEDICAL BAG TO DOCTOR

It was a very obliging thief—or perhaps a very scared thief—who returned Dr. Eugene Grau's medical kit, after having stolen it, causing no end of consternation, not only for Dr. Grau, but for the narcotic agents, who thought that perhaps the kit was taken for the narcotics it contained.

The thief, who took it from Dr. Grau's car as it was parked in the driveway adjoining his Niles office, returned it the following day. To make things more convenient for Dr. Grau (thus proving his willingness to oblige) he returned the kit right to the doctor's front door at his Niles residence. He didn't go so far as to ring the bell, however, and say "Here is the bag I stole, Dr. Grau." No, he simply left it near the garage door some time during the night, so the doctor could pick it up on his way to the office.

Let's not give this gentleman too much credit, though, for being a polite thief. It may be that after he realized that the theft of narcotics is a grand theft charge, he got scared and decided to do the wise thing by returning it.

Upon examination, Dr. Grau found none of his instruments—and not even any narcotics—missing, although the bag had been thoroughly ransacked.

FOR VETERANS' WELFARE

VOTE "YES" ON PROPOSITION 2!

The Veterans of Foreign Wars and the Disabled American Veterans urge you to vote "YES" on Proposition 2 on the November ballot.

This measure will legalize greyhound racing in California—under strict State supervision—and turn over 4 per cent of all track wagers to a Veterans' Fund administered by the State Department of Veterans' Affairs.

It will perform a distinct service for California veterans. It will guarantee ADEQUATE FINANCING of State-sponsored welfare and rehabilitation activities, including support of the Veterans' Home at Yountville. It will relieve the taxpayer of the burden of paying for these services; greyhound racing will pay the bill instead.

California veterans ask you to support them in this campaign.

Let's Carry Through - Vote "YES" on 2!

... At the Peephole ...

Mrs. LESDA BROWN of the Orient Chapter of the Eastern Star is receiving the congratulations of her friends this week upon her recent appointment as deputy grand matron of this district. If you really want to know the significance of this impressive title, ask Mrs. ANNA BRADFORD. Mrs. Bradford knows all there is to know about lodges.

Just to show you how versatile is Dr. W. F. Lamoreux—in addition to being one of the top ranking poultry geneticists in the country, he is equally adept in terpsichorean art. Ask anybody who attends the folk-dancing classes in Niles. All this and a Ph.D. too!

And speaking of folk-dancing, during the progress of the WOODEN-SHOE dance (or is it WOULD'N'T YOU?) who was it who almost went down for the count when her partner, putting everything into the dance, came up with a hefty haymaker? This dance, by the way, is a dilly. It gives everybody a chance. If you don't understand what we mean, come down Monday night and see School Trustees JOE GOMES and JACK ALBERG were unexpected visitors at the dance last Monday. No, they didn't dance. Just observed. Why not join in the fun, boys?

You'd never guess WHO was found passed out on WHAT floor last week. No, we're not telling. It's one of the things NICE newspapers don't print. But, anyhow, you'd NEVER guess!

BEN MURPHY received a new shipment of coffins this week. On one of the crated coffins was written in a bold scrawl, "Kilroy is in here." Well, anyway, now we know where he is!

"CONFUSION REIGNED SUPREME" would be the only way to headline the meeting called last Tuesday evening at the high school by the Hayward proponents of a hospital plan. There was a small Niles representation. Most of those present were from Hayward. But those from Niles who were there, were no SHRINKING VIOLETS. In the battle of Niles vs. Niles and Hayward vs. Niles, nobody apparently, came out the victor. Everybody thought that having a hos-

pital was a nice idea, but they could not agree as to location or on the manner of launching such a project. Things came to an impasse when Mr. Williams of Hayward refused at first to call back a second to a motion he had made. Mrs. EDNA OVERACKER had already retracted her motion. Eventually the thing got ironed out to nobody's satisfaction. Let's call the whole thing off, boys and girls. We'll just buy more vitamins, take setting-up exercises and hope to keep so well that we won't need a hospital! Probably more confused than any of the others present were two little mice who were scampering around the corners of the room during the meeting, in an apparent desperate effort to find an exit. And who could blame them!

L. SILVA, owner of Elderberry Park in Niles, called The Register office the other day and you could almost HEAR his voice smiling. He had just been handed the \$90,000 contract for the new drive-in theater to be built by March 1 between Hayward and Niles. Congratulations, Mr. Silva! We like the job you did on Elderberry Park—and we know we'll like the theater job.

A Niles waitress was heard to remark the other day, "If you live in Niles a week and people don't start talking about you, there must be something the matter with you."

Our nomination for the MOST INTERESTING industry in the township this week is the L. S. Williams packing shed in Centerville. If you have never seen green tomatoes treated and packed to be shipped back east, you have MISSED something. Three of the most competent people were of three generations—Mrs. GRONLEY, her daughter, Mrs. TONY ALAMEDA, and HER daughter, Miss SHIRLEY ALAMEDA. Another Shirley was SHIRLEY MARRIOTT. How those girls' fingers fly! (See the REGISTER next week for a complete story WITH PICTURES of the tomato packing business.)

Although there wasn't enough snow to ski, JOHN BISHOP of Niles nevertheless spent an enjoyable week-end with the R. C. Hansen family of Oakland, at Pinecrest. The snow was only three inches deep. Don't rush the season, John. It isn't yet November.

LOIS JUSTUS (will we ever be able to remember her new married name?) did not write her sparkling column for this week's Register. We missed you, Lois—and so did the Mission folks. Next week, hm? —we HOPE. Two more correspondents added to The Register family this week are ETHEL AVILLA of Decoto and THELMA McNIEVE of Newark. Let's give the little girls a hand!

P.T.A. REACHES NEW HIGH AT CENTERVILLE

The membership in the Centerville P.T.A. is the highest in the long history of the local unit which was organized in 1924. However, anyone who wishes his or her name on the roster should send annual dues to the school at once. Single membership is \$1; dual membership (father and mother) is \$1.35.

The Centerville P.T.A. was awarded a certificate by the National Congress of Parents and Teachers for their splendid work in behalf of the school cafeteria. The members of this year's committee are Mrs. A. E. Rogers, Mrs. John Brown, Mrs. Evelyn Peixatto, Mrs. Daniel Amaral and Mrs. George Rogers. They are planning some splendid activities and improvements for the school cafeteria.

The next meeting of the P.T.A. will be on Tuesday afternoon, Oct. 22, at 2 o'clock, in the school cafeteria. A "white elephant" whist party for the benefit of the cafeteria is scheduled. Participants will be charged a small admission. Each player should bring as a prize some article she has at home which is not useful to her but may prove of value to someone else. A food sale will also be conducted.

The members of the committee in charge are: Mrs. Joe Santos, Mrs. Daniel Amaral, Mrs. John Brown, Mrs. Clarence George and Mrs. Warren Gravestock. The general public is invited to participate in this social afternoon.

Plans for the big whist party to be given in the school auditorium on Friday evening, Nov. 8, have been formulated.

Receipts will be used for the annual turkey luncheon presented to the students by the P.T.A. The members of this important committee are: Mrs. A. E. Rogers, Mrs. Clamond Oliveira, Mrs. Mary A. V. Caldeira, Mrs. Henry Dias and Principal Tom Maloney.

Remember the "White Elephant Whist" and Food Sale, Centerville elementary school auditorium, on Tuesday afternoon, Oct. 22, at 2 o'clock. The public is invited.

FIRST INSTALLMENT IN NEXT WEEK'S REGISTER

The Register, in an endeavor to give its readers at least a working knowledge of the background of the founding of the township, because of the coming Sesquicentennial in Mission San Jose, has unearthed an interesting and fascinating account of the history of this locality written by the late Charles H. Shinn, eminent journalist and forester. This account was published in the year 1897. The Washington Press, issued at Irvington by E. B. Thompson, was the publication carrying the story.

Watch for the first installment of this interesting history in next week's issue of The Register.

FARM BUREAU TO HOLD CONVENTION IN SANTA CRUZ

Officials of the Alameda County Farm Bureau were completing this week last minute preparations for participation in the 28th annual convention of the California Farm Bureau Federation at Santa Cruz, October 28-November 1, which they said would break all previous attendance records.

A number of members of the Alameda County Farm Bureau, many of them accompanied by their families, will attend the Santa Cruz meeting, it was pointed out, and help prepare the policies which will govern the Federation's activities in 1947.

The other 45 County Farm Bureaus, affiliated with the Federation, comprising a statewide membership in excess of 40,000 families, also will be proportionately represented in the 5-day Santa Cruz convention, which is open to all farmers as well as the general public.

President Ray B. Wiser of the Federation pointed out that concurrently with the convention, dozens of other meetings will be held representing the Farm Bureau home department, commodity departments and sections, various committees, and organizations affiliated with the California Farm Bureau Federation.

"The Santa Cruz convention is the outstanding agricultural meeting of the year," declared Melvin Nielsen of the Alameda County Farm Bureau, "and I urge all Farm Bureau members as well as other farmers to attend it."

F. F. A. NEWS

October 23 was the date for another monthly meeting of the Washington Chapter of Future Farmers of America. The meeting was held at Washington Union High School at 7:30 p.m. This meeting was held in observance with National Future Farmers Day.

The two delegates to the convention at San Luis Obispo reported on the trip and what was accomplished.

Some of the matters that came up for discussion were the live stock at San Francisco, shop chapter projects, basket ball team, dance, making money, Master Chapter, and program of work for the year.

All in all, the meeting is being looked forward to as a pleasant evening and successful stepping stone in our organization.

HIS FIRST FISH WINS

Just mention "fish" to A. J. Petsche and he'll tell you about it. It happened last Sunday at the PG&E picnic at Bethal Island on the San Joaquin river, where Petsche went with Mr. and Mrs. A. M. Alves. The main feature was a bass derby (pronounced darby), and "it was this long—no, THIS long"—but it really was, a 20-pound bass, for which Petsche expects a prize one of these days—as it happened to be the first time he'd ever been fishing. Bill Rockett also deserves some mention for his 18 pounder.

FOURTH GRADERS SEE SUGAR PLANT

Centrifugal units and such terms are not going to be beyond the grasp of the school children of today if they absorb all they are exposed to. Last Tuesday, October 15, the Irvington fourth grade class, under Miss Margaret McCready, was conducted through the sugar refinery at Alvarado. The school bus took them over in the morning and about 27 children were shown the plant.

MAKE RESERVATIONS FOR U.C. ALUMNI BIG GAME DINNER

Robert Sibley, executive manager of the University of California Alumni Association, will be the main speaker at the first annual pre-big game dinner meeting since the war.

This announcement came from Vernon Ellsworth, president of the local association, this week. Ellsworth is asking that all of the alumni make reservations now, with him, for the meeting which will be held on the evening of November 14 at the Country Club house in Centerville.

Sibley will show illustrated colored movies of the St. Mary's-Cal. game and will also give a talk on the "D" apparatus of the famous cyclotron, explaining the part it played in the discovery of plutonium.

Eligible to attend this interesting event are any alumni of the University at Berkeley or any of its branches. Reservations must be made as soon as possible with Ellsworth by calling Niles 4554.

SEVENTH GRADE WINS MEMBERSHIP DRIVE

The Irvington seventh grade, under Miss Bond, won in the drive for P.T.A. membership last week, bringing in about 75 new members to the already large membership of about 200. Mrs. Al Peixoto is the new president of the organization.

DECOTO NEWS

By ETHEL AVILLA

The Decoto Pinochle Club was delightfully entertained Saturday night by Mr. and Mrs. Al Costa who had as guest of honor Mrs. Elsa Walker. Mr. Walker was unable to attend as he is in Auburn taking care of the many details of seeing that their ranch is in apple pie order preparatory to their moving in. The loss of this fine couple will be keenly felt, Mr. Walker for his super pinochle playing and Mrs. Walker for her sparkling wit.

Mr. Costa presented Mrs. Walker with four volumes of the Sunset Book series plus two dozen tulip bulbs, as a parting gift from the group.

First and second prizes were won by Mr. and Mrs. Harold Wallace.

Refreshments consisted of sandwiches, olives, pickles and coffee. The sandwiches were the thick meaty kind that men like and were grabbed up in a hurry. The next meeting will be at the home of Mr. and Mrs. Lester Watkins on November 9.

Mr. and Mrs. James Parks left Friday morning, October 18, for Tulare to visit friends and look over the country as a possible location. They have sold their home to Mr. and Mrs. Bowles. Mr. Bowles works for the New Colma Mill and Lumber Company and Mrs. Bowles is a beauty operator in Centerville.

Tony Amaral, critically ill, has not been progressing satisfactorily and returned to the hospital on October 17.

Mrs. Babe Faletti, Mrs. Flora Silva and Mrs. Mary Ree left on Tuesday, October 22, for Nevada City where they plan to spend a few days in the Faletti mountain cabin.

William Davis, flying both ways, left Friday, October 18, for Seattle as a delegate for the Niles local, Steel Workers Union. While there he is staying with a friend, Charles Janeiro, who is a former Decoto resident.

Mrs. Louise Perry of Irvington is recuperating from a major operation at the home of her mother, Mrs. Sara Silva, in Decoto.

Married in Reno September 21 were June Cunha of Decoto and Dan Guzzi of Sonoma. The bride is the daughter of Mr. and Mrs. Joseph Cunha. Mrs. Guzzi attended Washington Union High School and Healds Business College and is employed in the office of the Cannery Workers Union in Hayward. Mr. Guzzi, discharged from the Army, works for Beckett and Fredrickie, builders, also in Hayward. Upon their return home they were entertained with a reception at the home of the bride's parents. The young couple will make their home in Hayward.

Mr. and Mrs. Elayne Cambra are the proud parents of a baby boy born Sept. 14 at the San Jose Hospital. Name—Walter Floyd.

HALLOWEEN PARTY FOR ST. JUDE'S

St. Jude Institute No. 163, Y.L.L., held their annual Halloween party on Tuesday, Oct. 22. The meeting hall and refreshment tables were cleverly decorated with ghosts, witches and other Halloween figures.

A procession was held by the costumed characters and the judges selected these prize winners: first, the Andrews Sisters, played by Dorothy Misener, Alberta George and Anne Perry; second, Mary Goularte; and third, Evelyn Peixoto.

The evening's refreshments were served by Lucille Day, chairman; Phyllis Day, Bernadine Francis, Mae Francis, Emma Enos, Marie Feliciano and Winnie Fernandez.

IRVINGTON P.T.A. TO GIVE HALLOWEEN PARTY

The Irvington P.T.A. is giving a children's Halloween party on Thursday evening, October 31, between 8 and 11 p.m. Featured will be stunts, games, movies, and a bean feed. On the planning committee for the affair are: George Scamman, William Shuey and Leslie Hiller.

GIRLS LEAGUE SPONSORS "SISTER" PROGRAM

The Centerville high school Girls' League, under the direction of Miss Knoles, this week provided for a big sister-little sister program.

This program provides that each Senior girl take a freshman girl as a "little sister" to orient her into the activities and atmosphere of the school.

PRESBYTERIAN LOCAL MINISTERS EXCHANGE PULPITS

An exchange of pulpits for Presbyterian ministers in the township will take place Sunday, October 27, when Mr. Roe Lewis of Centerville will go to Newark to preach a sermon, and Mr. C. Daniel Soult will go from Newark to Centerville.

Mr. Lewis is a senior this year at the San Francisco Theological Seminary and is very active in local boys' work.

Mr. Soult has recently been called to the Newark Presbyterian Church.

Mr. Joe S. Stevens will again preach the Sunday sermon at the Irvington Presbyterian Church. He also is from the Seminary.

CHURCH HOLDING BAZAAR

St. Joseph's Church of Mission San Jose is holding its annual fair and bazaar tonight and tomorrow night at the I.D.E.S. Hall. The Reverend Father Renault is the general chairman of the affair.

In charge of the grocery booth are Joseph and Manuel Garcia. Joseph Pereria, Mrs. Minnie Abreu, and Mrs. Rose Resends are in charge of the linen booth; the miscellaneous booth will be handled by Walter Connolly and Charles Santos, while the tickets are overseen by Miss Rosalind Egan.

DOUBLE FEATURE AT 'KITCHEN'

It isn't only the works of art hanging up on the walls of the International Kitchen that is drawing the crowds lately. The doll house, so cleverly constructed by Mrs. Edna Overacker, is also causing considerable comment.

The proceeds from the sale of the doll house will go to the Toyon Branch of the Children's Hospital of the East Bay. Because the Toyon Branch has to pay rent now on its rummage shop, just recently moved to a Main street location, it is hoped by those in charge that the sale of the doll house will help to defray the operating expenses of the shop.

CENTERVILLE P.T.A. PLANS BENEFIT WHIST PARTY

Centerville Elementary School P.T.A. has completed plans for the big benefit whist party to be held in the Centerville Elementary School auditorium on Friday evening, November 8. Tickets are now on sale.

Jack Rees, past president of the Centerville Lions Club, now the district superintendent of the Hayward Elementary schools, spoke at the regular meeting of the club last Tuesday evening at the California inn, where 40 members met.
